ABOUT US

WHO WE ARE

OGP Services is a Rustenburg contractor for construction, cleaning, grounds care and mining support.

We were founded in 2019 by OG Petlele. Our base is Photsaneng village, in the middle of the Rustenburg and Marikana mining area. Our crews are local, and the sites we serve are close to home.

We have worked for Sibanye-Stillwater and Royal Bafokeng Administration. We keep the work simple: clear quotes, clear scope, and a team that arrives when it says it will.

When a job needs specialist crews or machines, we bring in trusted partners and manage the work under one contract.

AT A GLANCE

DIRECTOR
OG Petlele

ESTABLISHED
2019

BASE
Photsaneng, Rustenburg

COMPANY REG.
2019/343931/07

CSD NUMBER
MAAA130064

WORKS IN
Rustenburg and the North West

WHAT OGP DOES

Crews, site support, building and repairs, cleaning, waste collection and grounds care. We lead every contract.

WHAT PARTNERS DO

Underground and mining methods, plant hire, pumps, licensed waste disposal and specialist equipment. Each is clearly marked.

WHY OGP

01
LOCAL TO THE MINES

We are based in Photsaneng, a host community for nearby mining operations. We mobilise fast and hire locally.

02
PROVEN ON SITE

We have completed work for Sibanye-Stillwater and Royal Bafokeng Administration.

03
COMPLIANT AND READY

CSD registered. B-BBEE compliant. SARS tax compliant. COIDA in good standing.

04
ONE PARTNER, MANY SERVICES

Construction, cleaning, grounds care and mining support under one contract, with plant and haulage through our partner network.
